How to Join a Teams Meeting on a iOS device

Please note: You must have the Microsoft Teams app loaded onto your device**
If you do not – go the App Store on your phone and download it.

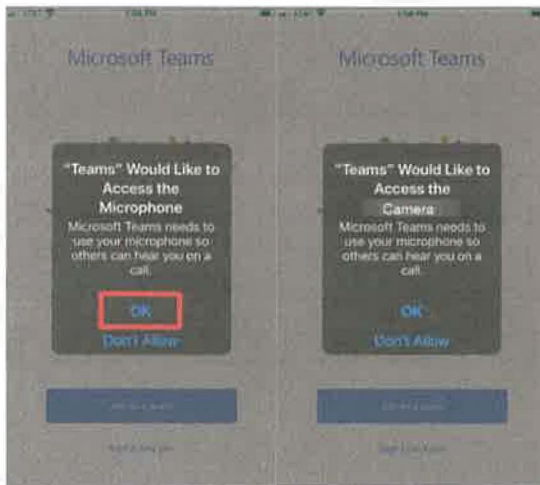

1. Open your email and click Join Microsoft Teams Meeting link

2. Choose **Join as a guest**

3. Click **OK** on both windows

4. Enter your name – Click **Join**
5. You are in the meeting!
